

Discover. Connect. Belong.

Dear Families,

Welcome to summer day camp 2021! We know this has been a difficult time for all of us but as we continue to persevere through everything, we can begin to look forward to sunnier days. The RecCenter has been with you through it all. With safety as our top priority, we produced a safe and fun camp for 10 consecutive weeks last summer. We quickly implemented and maintained COVID-19 protocols to keep our campers safe with our contactless pick up/drop off to cohorts of campers, along with temperature checks and much, much more. We have now opened registration for 2021 and would like to invite you to see what this year's camp can offer!

We are excited to announce some continued improvements for summer 2021! Along with including the things that our families know and love, we have added new and exciting ventures for all. We are happy to announce the addition of swimming, weekly field trips, and clubs as included in your weekly tuition with more information to come as summer nears. The goal of summer camp has always been to bring a sense of normalcy to our campers' lives and to provide the outstanding social experience that we all have come to expect our summer camp to give.

Our camp will continue to highlight outdoor activities, arts & crafts, and STEM provided within age appropriate classes as we roll into spring. Our theme weeks and activities will continue to be added to our summer 2021 calendar, so be on the lookout! Within this packet, you will find all that you will need to guide you through the registration process.

Thank you all for your continued support and we look forward to seeing you this summer!

- A1-D campers will watch G and PG movies that are developmentally appropriate.
- E-F will watch G, PG and PG-13 movies that are developmentally appropriate.

**Behavior Policy:**

- Day Camp makes every opportunity to provide a safe and positive environment for camp. When campers are not abiding by the rules, it affects all those in their group. Please encourage your camper to communicate with their counselor as soon as issues arise so that Day Camp staff can address the situation appropriately and communicate with parents when appropriate.
- The Rules of Day Camp: Be Safe, Be Responsible, and Be Respectful. Campers who are not abiding by these rules will be given an age appropriate consequence, which may include but is not limited to: being sent home for the day, behavior plan, suspension or expulsion from camp.

**Illness Policy:**

- In order to provide a healthy environment for campers and staff, campers are asked to remain home for 48 hours after: a fever has broken, has past since the last time they have vomited, and/or diarrhea has subsided.
- If a camper has pink eye or lice, campers should remain at home for 48 hours after being properly treated.
- If a camper gets sick (fever, vomit or diarrhea) while at camp, the camper will be sent home immediately.
