About Hempfield recCenter

DISCOVER Our goal is to enhance the lives of our community through fitness, wellness, and enrichment programs. Our high-quality programs and inviting social atmosphere are designed to get you motivated, fit, and involved.

CONNECT Each and every one of our programs is offered to the local Hempfield community as well as Lancaster County residents and beyond. No matter your address, the recCenter can connect you to wellness services, activities, and like-minded individuals to enrich your life.

BELONG Membership means more than access to fitness equipment. It means being part of a community excited about wellness and getting to know you. At the recCenter, you don't just go here, you belong here.

WE ARE a nonprofit organization committed to providing positive, fun experiences and value through a variety of wellness programs and events inclusive to all members of the community.

Our programs are offered to Hempfield School District residents and non-residents, Hempfield recCenter members and non-members.

Through our **Everyone Belongs** campaign, Hempfield recCenter provides financial assistance to eligible seniors, families, and children in the Hempfield area. Every dollar raised through **Everyone Belongs** provides access to our programs for those in need.
