About our Senior Classes

Staying active and connected are crucial components to wellness—which is why we strive to provide programs and an environment that supports senior populations. **However, anyone, regardless of age, is welcome to participate**—making the classes perfect for anyone beginning a fitness program or anyone with limitations that require modification.

We participate in the SilverSneakers® and Silver&Fit® Fitness Programs, providing free membership to seniors with eligible plans: AARP® Medicare Supplement, Highmark Freedom Blue, and Health Options Program, to name a few. Please contact your provider to see if your plan is eligible.

With SilverSneakers® and Silver&Fit® memberships, seniors may participate in the exercise classes above, designed especially for older adults. In addition, seniors may also try any of our group exercise or *aquatic classes that are FREE with SilverSneakers® and Silver&Fit® memberships.

*Aquatic classes are listed on the aquatic group fitness schedule.
