Hours of Operation: 7:00 AM – 5:30 PM Daily

Hello Day Camp Families!

We're absolutely buzzing with excitement for Hempfield recCenter's Summer Day Camp 2025! Our camp directors have been dreaming up amazing summer plans all fall and winter. We can't wait to share the new events and fun ideas we have in store!

At the Rec, your camper will dive into awesome indoor and outdoor activities, get creative with art, have a blast with gym games, and participate in camp-wide adventures that get everyone involved! We've attached a sample calendar of events and daily schedule to give you a sneak peek of the exciting plans we are working on. Expect fantastic field trips for an extra fee and other surprises along the way! Plus, we've included the Day Camp Behavior Contract to ensure a smooth and fun start to camp.

Jen Browne will be your go-to person during the school year for all things camp-related! During the summer, Josiah Vieland will return as Day Camp Director! We're thrilled to have such a dedicated, creative, and upbeat person leading the camp. Josiah will be working behind the scenes until camp kicks off in late May.

Thank you for choosing us to be a part of your summer adventures! Once you've registered, keep an eye out for more details on field trips (coming in April), important dates, and more exciting updates leading up to camp. We can't wait to see all of you!

Illness Policy:

- In order to provide a healthy environment, campers must remain home for 48 hours after: fever has broken, since the last time they have vomited, and/or diarrhea has subsided. SUMMER DAY CAMP

Summer Day Camp Behavior Contract

In creating a stronger and more nurturing environment for our entire camp community, the Hempfield recCenter's Summer Day Camp believes that a Behavior Contract is a vital piece to ensure campers, their families, counselors, and directors are all moving forward with the same positive goals in mind: **Be Safe, Be Responsible, Be Respectful, and Be Kind**. It is essential that campers be given every opportunity to thrive at our camp, feel safe, and have lasting memories. Upon signing this document, both camper and parent agree to the guidelines set forth and the actions issued if this contract is not followed. Counselors will discuss this contract with campers on the first day of camp and will review it as they see fit.

- **As a Camper and Parent**, I will respect myself, the camp, other campers, all counselors/staff, the building, and any other location I may visit while attending camp. This means that I will speak to others in a respectful manner and kind tone of voice.
- **As a Camper**, I will follow the directions of my counselors and all camp staff in order to make safe choices at all times.
- **As a Camper and Parent**, I understand that any electronics such as, but not limited to, cell phones, tablets, smart devices, smart watches, and laptops should be left at home or given to counselors to hold for the day in extreme cases. The Hempfield recCenter is not responsible for any lost or stolen items.
- **As a Camper**, I will respect the personal space of others and keep my body to myself. I will show kindness to others, even when it is difficult to do so. I am responsible for my own choices.
- **As a Camper**, I understand that disrespectful and negative behavior includes, but is not limited to, physically hurting another person, teasing, taunting, threatening language, bullying, swearing, lying, and refusing to listen to day camp staff.
- **As a Camper and Parent**, I understand that any negative behavior displayed on a field trip will result in an automatic loss of all future field trips without refund. I am responsible for my own behavior.
- **As a Camper**, I will not litter, vandalize, steal, or destroy items that do not belong to me.
- **As a Camper and Parent**, I agree to follow all Day Camp rules including those that are not listed on this behavior contract or rules set forth by my camp director and counselors during the camp day.
- **As a Parent**, I will share the information provided on this page with any other parent and/or person who is authorized to drop off or pick up my camper.

The Hempfield recCenter Summer Day Camp utilizes the following actions if any of the above is broken:

- **First Occurrence** – The first occurrence will result in a warning, incident report and/or phone call home. A senior staff member will explain to the parent what happened and why such behavior is not acceptable. Staff will work with the camper to set a plan for better behavior. In the case where kicking, biting, hateful speech, or other severe behavior occurs, the child may automatically be given one full day suspension from the program, without refund. **Parents will immediately pick up a dismissed camper from our program upon notification.**
- **Second Occurrence** – Depending on the severity of the incident, the second occurrence may result in one full day suspension or immediate expulsion from camp without refund, to the ultimate discretion of the directors. **Parents will immediately pick up a dismissed camper from our program upon notification.**

We fully acknowledge that campers have their own unique sets of needs. We do our best to view behaviors and incidents individually and take a novel approach in dealing with them to the best of our abilities to keep Summer Day Camp's integrity high and the spirit positive. In every instance, we discuss campers' behaviors with depth of knowledge and experience and always strive to find decisions that best serve the campers and the camp itself.

Please take a moment to discuss this page with your child. When both camper AND parent feel comfortable that they have read and understand the above information, please sign and date this form and return it with your camp registration packet. Thank you in advance for helping us to make Summer Day Camp at the Rec a safe and inviting space for all!

Frequently Asked Questions

Q: What are the camp hours and when can I drop off and pick up?

A: **7:00 AM – 5:30 PM.** Campers are not accepted any earlier than 7:00 AM and must be picked up no later than 5:30 PM each day. Parents may drop off and pick up at any time during camp hours. **Camp is closed on July 4th. The last day of camp is Thursday, August 14th.**

Q: How will parents know about upcoming events?

A: Directors will send out important dates to know leading up to camp including orientation and tours. A weekly newsletter will be sent to families during the summer to discuss events to come!

Q: What are the ages for day camp?

A: This is a school-aged camp. It is created and planned for campers who will at least enter 1st grade in fall 2025. Spots are limited for our youngest groups in order to maintain high quality programming. Camp offers developmentally appropriate activities for school-aged children up to 7th grade. For young campers or campers with particular social-emotional challenges, we ask families to exercise caution and consider shorter days to help alleviate potential issues, as there are many transitions and movements throughout the day and summer. We do our best to work with families to make sure that every camper has a successful and positive experience!

Q: What is included in tuition?

A: Enrollment, morning and afternoon snacks, camp T-shirt, many special events, and select treats. Lunches are not provided. Weekly pizza, food truck days, and other special food events are an additional cost via the DC+ option. There is not an a la carte option or individual costs for pizza days and special food events. Field trips are optional and an additional cost.

Q: Do you have more information on field trips?

A: Field trips are tentatively listed in our calendar of events and are subject to change based on weather/availability. A more detailed form with destinations, dates, and pricing will be sent in late April to those who have enrolled. Please remember that when signing up for camp, field trips are only one small component of your child's summer. The majority of day camp action will occur at the Rec!

Q: How do I register?

A: Please fill out the five pages in this packet completely and return them to jbrowne@hempsfieldrec.com. Incomplete packets may delay or disqualify registration. If your child has an IEP or other information regarding social-emotional or behavioral challenges, please include them in the registration packet. A copy must be on file before the first day of camp.

Q: What will my child need to bring each day?

A: Campers typically have sunblock, water bottles, spare clothes (if necessary), and lunch in a small backpack. Please label everything! Please help your child apply sunblock before coming to camp. Counselors can assist campers who bring sunblock to reapply in the afternoon. We ask that parents help us by monitoring belongings in their child's backpack on a daily basis.

Q: How is tuition handled?

A: Payments are on Thursdays before each week of camp. Registration fee and first week's payment are due at time of registration. All payments are non-refundable. Directors must be told of vacations before they occur to be eligible for discounts based on full- or part-time enrollment. Please alert directors if payment methods change to avoid extra charges.
