RULES FOR SUMMER PLAYGROUND

Site Rules

Each playground establishes rules that are appropriate for their specific site. The site rules are reviewed with the children on the first day of Playground and throughout the summer. Failure to adhere to the rules may lead to suspension or removal from the program.

Incentive Program

Children will be recognized by staff for performing good deeds, being a good friend, or demonstrating good behavior. Site supervisors develop good behavior incentives and rewards for the children in their care.

DISCIPLINARY PROCEDURES

All children are expected to behave in an appropriate manner. Any child exhibiting inappropriate behavior will have consequences according to the guidelines listed below. **We are NOT a 1 on 1 program.** All suspensions result in an immediate call to the child's parents. Parent will be informed to remove the child from the Playground site immediately upon notification. The following will be used as a guide; however, the Playground Director reserves the right to review all problems and suspend children to their discretion. Ultimately, the hope is to avoid the use of suspensions and removals, but the safety and well-being of all children and staff is our first priority. These are just a few examples:

1-Day Suspensions:

Repeated use of inappropriate language, i.e., profanity
Repeated disruptive, disrespectful behavior or bullying towards any staff or child
Stealing staff or other children's property

3-Day Suspensions:

Intentional destruction or abuse of playground and/or park property. Parents are responsible for any fees required to repair/replace damaged property.

5-Day Suspensions:

Fighting or dangerous actions directed towards any child or staff

Permanent Removals: Any repeated physical or verbal attack or threat toward children or staff. Any weapons or possessions judged harmful by the staff will be confiscated and result in permanent program removal.

PLAYGROUND FIELD TRIPS

Participation for all trips is optional. Field trip participants must be dropped off and picked up at Amos Herr Park on the trip day. Ample staff stay at the site with the remaining children while the trips occur. Trip participants are required to wear a playground shirt, which is provided at the child's first field trip.
